# J-MCA

*We are your local advocate addressing a broad spectrum of environmental issues facing the Highlands-Cashiers plateau.*

**Working** towards protection of Panthertown through the Friends of Panthertown group

**Incorporating** conservation in land use planning and development

**Providing** recycling education and resources for schools and communities

**Continuing** efforts and research to combat the Hemlock Woolly Adelgid infestation

**Encouraging** green building practices and green lifestyle choices

**Addressing** issues affecting air and water quality

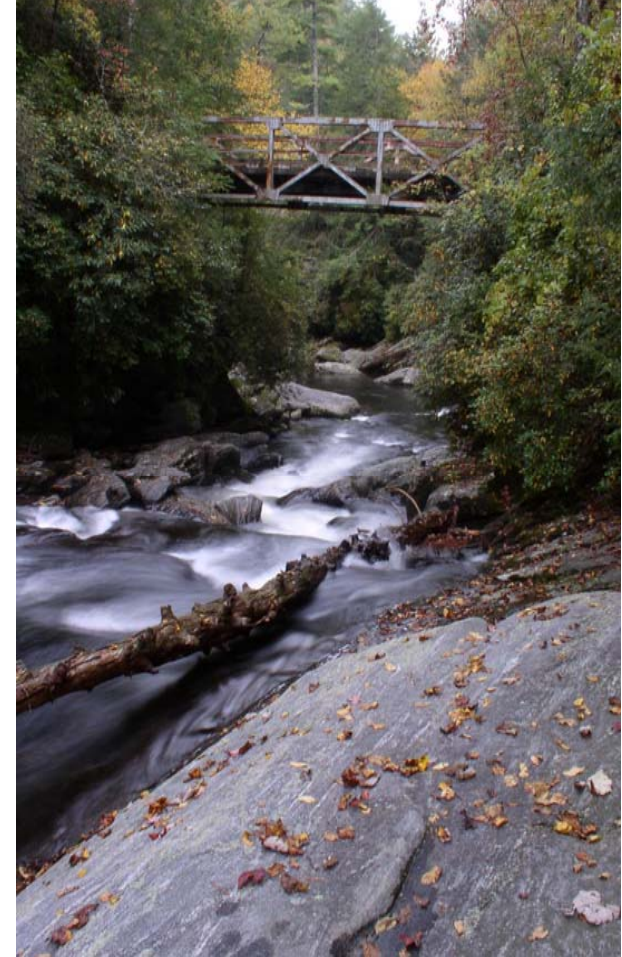

**Promoting** protection of our forest and aquatic habitats

**Representing** environmental interests in the public decision making process

**Caring** for our natural heritage

## Jackson - Macon Conservation Alliance

*Advocate for responsible and sustainable use and protection of our diverse mountain environment*
